

Change Your Teacher Email

Go to Your Teacher "Welcome" Page

1. Click the "My Account" link at the top of the page.
2. Select "My Teacher Account."
3. If you are not already logged on, you will need to do so now.

You should now be at the teacher "welcome" page.

Change Your Password

4. Click the "Change Email" link.
5. Enter your current password again.
6. Click the "Continue" button.
7. Change your email address.
8. Click the "Update My Profile" button.
9. Check the information.
10. Click the "Confirm Profile Update" button.

Important Note

We recommend that you use the same email address for both your student and teacher account.
